Ernest Holmes

Find me one person who is for something and against nothing, who is redeemed enough not to condemn others out of the burden of his soul, and I will find another savior, another Jesus, and an exalted human being.

Find me one person who no longer has any fear of the universe, or of God, or of man, or of anything else, and you will have brought to me someone in whose presence we may sit and fear shall vanish as clouds before the sunlight.

Find me someone who has redeemed his own soul, and he shall become my redeemer.

Find me someone who has given all that he has in love, without morbidity, and I will have found the lover of my soul.

Meditation for Success Ernest Holmes

I know I am now at the threshold of all good, wisdom and Truth. All the good I can embody is now mine. I have only to open the portals of my soul and accept that which is ready to express through me.

I expect, fully and emphatically, the answer to my prayer today. Right now do I possess this thing I so greatly desire. I remove my fear of lack and negation, for it is the only barrier which stands in the way of my experience of good. I alone can remove it, and I do remove it now.

In this moment my good comes to me, enough and to spare, to give and to share. I can never be exhausted, my good can never be depleted, because that Source from which my good comes is inexhaustible.

Today, in this moment, the Law responds to my thought. My word is one of affirmation, rising from the knowledge that the Good, the Enduring and the True are Eternities in my experience. I cannot be apart from that which is my good. My good is assured me by God, the Indwelling Essence of my life.
